Re: Wills and Power of Attorney for Couples Including the Henson Trust

No one likes to make plans for an untimely death, no matter what age. But taking the time to put together a proper Will & Powers of Attorney is an essential part of sound financial planning.

The members and families of the Mississauga Association for Independent Living (M.A.I.L.) have a unique situation where the children in these families have a disability. Many families do not know about a specific clause to be included in a Will known as the *Henson Trust*. This type of trust is designed to benefit disabled persons; specifically it protects the assets (typically an inheritance) of the disabled person, as well as the right to collect government benefits and entitlements.

The lawyers and staff in RDQ's Wills & Estates department are knowledgeable and equipped to answer any questions relating specifically to the Henson Trust. RDQ has supported the M.A.I.L. program since Bobby Chatterjee joined our firm in 2009, and we were thrilled to hear that he became a member of the Board of Directors in 2012.

Our regular fee for a Will & Powers of Attorney for a couple with the Henson Trust clause included is \$950.00 plus HST. However, because of the partnership our firm has with M.A.I.L., we would like to offer the same package at a fee of \$650.00 plus HST.

As mentioned above, no one likes to make plans for death, however securing the future of your dependents specifically through the Henson Trust will ensure that your children will be taken care of.

Should you have any questions, please feel free to contact me by email at jquaglietta@rdqlaw.com, Vincent Tucci at vtucci@rdqlaw.com or Bobby Chatterjee at bchatterjee@rdqlaw.com. Alternatively you can call us at the office at (905) 264-7800.

Yours very truly,
